Supporting the Healthy Smiles of NunatuKavut Children Research Project

For more information about the research project, or to volunteer for a storytelling session in your area, please contact:

Healthy Smiles Coordinator:

Michelle Clarke
(709) 960-0342

healthysmiles@dal.ca

CHECK US OUT ON FACEBOOK!

Here's when we'll be in your area:

Port Hope Simpson: May 2-3

St. Lewis: May 4-5

Mary's Harbour: May 6-8

Charlottetown: May 9-10

Cartwright: May 11-14

Black Tickle: May 16-17

WOULD YOU LIKE TO PARTICIPATE IN A STUDY ABOUT YOUR ORAL HEALTH?

ARE YOU BETWEEN THE AGES OF 10-17?

IF YES, THEN COME JOIN US IN A STORYTELLING SESSION AND SHARE WITH US:

- How you feel about the oral (i.e., mouth, teeth, and gums) health of youth in NunatuKavut?
- What are some of the things in your community that influence the health of your teeth and gums?
- What might be some ways to improve the oral health of NunatuKavut youth?

Your thoughts will be very valuable to our research.

THIS RESEARCH PROJECT WILL ALLOW US TO GATHER INFORMATION THAT MAY HELP TO MAKE DENTAL SERVICES BETTER FOR CHILDREN AND YOUTH IN SOUTH-EASTERN LABRADOR.

This session should take no longer than two hours.

This study has undergone review by the Health Sciences Research Ethics Board at Dalhousie University, the Newfoundland and Labrador Health Research Ethics Authority, NunatuKavut Ethics Review Committee, and the Labrador-Grenfell Health Authority Research Ethics Board.
